General Report Comments: Mariaan let me on the property where I only saw 1x brown terrier x male. I asked Mariaan where the other 2x dogs are and she told me that she gave the 2x dogs to her sister that was here over the holidays. The terrier x male is looking good. Mariaan told me that she told her sister about the skin condition of the dog and she bought her 3x Simpirica tablets. I asked Mariaan where her sister stays and she told me her sister lives in Cape Town. Water, food and shelter is available. Will do a recheck.
