Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: There was no people at home but the next do neighbor who happens to be the complainant let me inside her house to have a look at the place/ verandah where the dog is. The place is big and the complainant also informed me that there is someone coming every day to feed the dog and clean the area. I tried to contact the owner but his phone was going to voice-mail. I will recheck

ACTIONS

NO ACTION REQUIRED

REPORT OUTCOMES

Follow-up inspection to be conducted 2024-01-03
