General Report Comments: All the animals on the property are in a good body condition. I observed food for all the animals on the property. The rabbits in the large enclosure needs some enrichments. The rams water bowl is dirty and needs to be cleaned. The three big tortoise are in a small enclosure and I will discuss this with the Inspectorate Manager Louise Van Zyl as this needs the Cape Nature's attention. The petting farm doesn't have a PAPA LICENSE and I will also discuss this with Louise. I issued a Notice to comply and will recheck
