CHECKLISTS

General Report Comments: Brett told me that he has taken the blue crane and 2x owls that he had to the Eagle Sanctuary in Stellenbosch, the duiker buck he set free and the chickens and geese that were there he also has given away. There are no animals at the Sanctuary. The bird enclosures were taken down. Brett also told me that people still bring him baby owls and injured birds but he refers them to a vet or Jaques who owns the Owl Orphanage. Brett says that it has become too much work and that financially it's becoming a struggle. I gave Jaques a call and he has confirmed that a lot of people have been referred to him by Brett. No animals on the property. Nfa until further
