General Report Comments: I walked with Louwrens Van Wyk the manager of Wespín abattoir from the showgrounds over to the abattoir. There were only 12 Dorper sheep that they were about to slaughter. Louwrens told me that times are tough and that the bigger abattoirs like Delico buys most of the sheep from the farmers. I went with Louwrens to the lairages where the sheep was waiting to be slaughtered. Attached is a checklist that I've completed. Will recheck.
