Hi Randal

I have spoken to Louise from Swartland in relation to the below email. I informed her of the KC outbreak and that some may need to be PTS.

She stated that it is in order to PTS if they are sick and asked that we please send her the Admission Numbers of those that get sick and are PTS and that we must please get formal Vet Reports for all dogs that are PTS for their prosecution purposes.

Can you kindly action the above? Please scan in Admission Forms and Vets reports so that we can email them to her.

Dear Colleagues,

I hope this email finds you well.

We wish to inform you that the seven-day period stipulated under Regulation 468 has now expired, and the owner has not come forward to claim the dogs.

We will be contacting CoGH and Paarl at the earliest opportunity to make arrangements with regards to the way forward.

We would like to take this opportunity to once again express our heartfelt gratitude for everyone's support and assistance with kenneling during this process. We really appreciate the effort you have all contributed.

Kind regards,

Dear Cape of Good Hope SPCA/Paarl SPCA Team

We wanted to extend our sincerest thanks for taking in some of the Border Collies we confiscated on Friday.

Your willingness to assist has been invaluable to us, especially given our limited housing capacity.

It's really a pleasure to work with colleagues like you.

We will keep you updated regarding the situation after the 7-day period for the owner to claim has expired.

Thank you once again for your assistance.

Kind regards,
