Yes

Dipping bath available, if no what method is used to manage external parasites?

There is one available, but the dogs are given Nexgaurd/Bravecto and the cats are given Frontline, Revolution

When was the animals last dipped & dewormed?

Monthly

Sick/injured animals

|          | Concern                | Currently under treatment                                     | Must go for veterinary assessment | Animal name and description         |
|----------|------------------------|---------------------------------------------------------------|-----------------------------------|-------------------------------------|
| Animal 1 | Slight hairloss on bum | Yes, given Revolution last week, after consultation with Vet. | No                                | Cat (tabby, female, adult, "Liefie" |
| Animal 2 |                        |                                                               |                                   |                                     |
| Animal 3 |                        |                                                               |                                   |                                     |
| Animal 4 |                        |                                                               |                                   |                                     |
| Animal 5 |                        |                                                               |                                   |                                     |

Any sign of behavioural problems?

No

Are there isolation/quarantine quarters available?

Yes

|                                                      |                               |
|------------------------------------------------------|-------------------------------|
| Are daily checks done to ensure animals are healthy? | Yes, 2x a day                 |
| Mortality rate                                       | None since my last inspection |

## TRANSPORTATION

|                                                                           |                                           |
|---------------------------------------------------------------------------|-------------------------------------------|
| What method of transportation is used?                                    | Car, with transportation crates           |
| General roadworthiness of vehicle/s                                       | Good, Exp 09/2025                         |
| Are the transport cages/trailers clean and regularly disinfected?         | Yes, before and after collection/drop off |
| Are the doors secured to prevent escape or theft?                         | Yes                                       |
| Do the animals have enough space to stand, turn and lie down comfortably? | Yes                                       |
| Is ventilation and light suitable?                                        | Yes                                       |
| Is there potential of exhaust fumes entering the animal(s) space?         | No                                        |

## OWN ANIMALS/NOT ADOPTABLE ANIMALS

|                                                                                       |            |
|---------------------------------------------------------------------------------------|------------|
| What do they do with animals that are not suitable for adoption?                      | Euthanized |
| Where are these animals kept?                                                         | N/A        |
| What are the main reason/s for these animals to be kept at the facility indefinitely? | N/A        |

## INSPECTOR NOTES

### Any concerns/problems/contraventions on terms of APA observed?

Facility is well run. Much less animals than during my last inspection in April. According to Carol, they have reduced their capacity number and does not go over the limit.

Facility is clean, hygienically maintained. They are busy with a lot of upgrades where kennels are reconstructed and made bigger.

NO APA CONTRAVENTIONS OBSERVED DURING THIS INSPECTION

|                                |                    |
|--------------------------------|--------------------|
| Was action taken?              | None               |
| Add warning number, if issued. | N/A                |
| Follow-up action?              | Routine - 6 months |
