Subject: KAALBASKRAAL AREA

Good Day,

I am not sure if your go out as far as Kaalbaaskraal area and do inspections with owners of dogs etc.

I know of someone that lives in the area that has told me of a guy that does not seem to listen regarding his bitch that he won't sterilize (already had litter of 4 times) also according to sources he won't buy food for the dog and stated that the dog must find its own food including the puppies.

Personally that is just screwed up and this should be taken care of immediately as the dog litter of puppies including eat out from the dump site area. I really hope that this guy gets nailed for the abuse and clear starvation he is putting this poor dog through including the unwanted puppies he so freely gives away.

Location: 276 Kransvoel Road, Kaalbaaskraal is where this guy resides.

We would like to stay anonymous due to the people I personally know that live in the area. Therefore I am reporting this myself as not to get them being harmed.

PLEASE let me know if action will be brought to this inhumane creature.

Also to maybe do welfare checks on all homes in the area with dogs as there are plenty of them roaming the streets, pregnant and looking for food

I pray that this will be sorted

THANK YOU FOR ALL YOU DO
