General Report Comments: There was no people at home and the complainant allowed me into her property so that I can have a full view of the dogs at house number 82. I observed two dogs. One is a black Staffie X and the other is a terrier x. Both dogs body condition is fair and acceptable. Jameson called me and informed me that the owner of the dog called him and informed him that it's true that the dogs had a fight but it was a week ago. I tried to contact the owner but her phone was not reachable. I will try to contact the owner so that I can see the other dog (Doberman) that was involved in the fight.
