General Report Comments: The owner of the property was not at home and I observed a female dog tied up with a short static chain to a tree without a collar. One neighbor informed me that the owner's name is AJ Balie. There was water available for the dog. The dog does not have adequate shelter as she is using a tree as shelter. The living environment is clean. The dog's body condition is fair and acceptable. I couldn't take a proper picture as I was standing from a distance in the street. I left a Notice to comply and I will recheck
