| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** The owner was not at home to explain |                       |

General Report Comments: There was no people at home and I couldn't find any neighbor to ask the details of the property owner. I observed one adult big dog and a small breed dog. Both dogs are on short static chains with collars. Their body condition is acceptable. The living environment is clean. The chains does not have swivels. I observed water and shelter. I issued a Notice to comply and I left it on a pole by the entrance to the property. I will recheck.
