Comments:	Received a call from Sgt Choma. The further feedback required from the PP, Is that they require the A1 to redo the statement and state exactly who the people are she met at the property and what their relationship are and in what relation to the animal. The PP.also mentioned that there is apparently no photographic evidence in the docket. I discussed with my manager, Insp v Zyl, she will obtain the copy docket and have a look at the docket to see how strong they case is and if all the information is there. Once done, I will call Sgt Choma back with an update
