

INSPECTOR NOTE

Building:	
Street:	CONCORDE DRIVE
Suburb:	STOMPNEUS BAY
Postal Code:	
Date:	2024-08-21
Time:	09:16
Inspector:	CARINA BODENSTEIN

Type:	RE-CHECK
Follow-Up Date:	2024-09-20
Comments:	Upon arrival, I could not gain access as the owner, Brett is apparently not in today and the lady (Angelique) advising me of such does not feel comfortable in accompanying me on a inspection. She tried to call the owner to ask if he can come, however he did not answer his phone. As this is just a routine check, I will come around again when I am in the area.
