| Inspector:   | JAMESON OCTOBER |

---

|                 |                                                                                                |
|-----------------|------------------------------------------------------------------------------------------------|
| Type:           | DOCKET DISCUSSION                                                                              |
| Follow-Up Date: | 2024-03-04                                                                                     |
| Comments:       | I went to Saldanha SAPS again to speak to Detective Baga but he was not there. Will follow up. |
