Comments:	I took the dog to the Tygerberg Animal Hospital and the dog has gained some weight . The red blood levels has improved from 14% to 22%. Dr Ashleigh Lord advised me to keep an eye on the dog . The dog is now on Doxyvet and the Dr gave NexGard for external parasites. Refer to vet report. I'm closing this case and the dog will be up for adoption when fully recover .The dog weighed 15:00kg on the first day and now weigh 15:05kg
