Comments:	The complainant contacted me to tell me that they can no longer see the dog. I then conacted the owner Jasine to ask her what happened to the dog because I phoned the PDSA and spoke to the vet and the dog was not by them. She told me that the dog is by her son and that he will take the dog to the vet. I asked field officer Chiwawa to check for me if the dog was still on the property and he confirmed that it was no longer there. I told the complainant to contact me if she sees the dog again.
