Date:	2024-02-20
Time:	12:35
Inspector:	CARINA BODENSTEIN

Type:	RE-CHECK
Follow-Up Date:	2024-02-27
Comments:	Upon arrival, it was evident that no one is at home. The house door was closed and the burglar fence was locked. I did not see Kesha or Athini. I will give the owner time to think I have forgotten about him, however I will do a drive by regularly as I will be in the area daily, and check in if he is here. I will put the case follow up for a week feom now. I will also speak with the complainant and ask her to keep an eye out for me. I WILL FIND THIS MAN AND HE WILL ANSWER TO WHERE KESHA IS.
