Type:	WARNING / NOTICE RESPONSE RECORD
Follow-Up Date:	2024-02-15
Comments:	Received a call from Jolene Crow - 022 433 8400. She is the wife of the property owner, Gerhard Crow. Jolene advised that her daughter has brought the content of the warning to her attention. She advised that the white/brown dog has been fiven away tjis morning, hence the dog was not on the property. The 2x GSD puppies will likely go to there new homes over the weekend. If they cant find homes for them and thw others, they will be surrendered to the SPCA when I conduct my follow up next week Wednesday. She understood that the kennels must be fixed , and gauranteed that this will be done before my follow up. She will discuss the surrendered this evening with her husband and call me back tomorrow to confirm. I will update the case tomorrow after I have spoken with Jolene again, and set the new follow up date.
