| Comments:       | <p>Upon arrival, I was met by Adrian Crow, owners daughter. As confirmed with Jolene telephonically earlier this week, they wanted to surrender 3x dogs. The aggressive bitch and 2x GSD puppies.</p> <p>I collected the 3x dogs.<br/>ADM: D7321, D7322, D7323</p> <p>I saw that the one kennel has been fixed, however the other one is still delapitated. According to Adrian, her father has work night hectic shifts the past week and said since he is off this weekend he will fix the other kennel.</p> <p>I will be in the area next week again, will do a drive by and see that the kennel has been fixed.</p> <p>The 2x GSD's that are left on the property are in good condition with no veterinary and/or health concerns.</p> |
