Follow-Up Date:	2024-03-01
Comments:	I was in the area and decided to drive by to check on the progress of the kennels. The ine kennel (large one) has been properly fixed and both dog will easily fit, however in a few months the male will be bigger and the kennel will be too small for both dogs. The owner is still busy with the other kennel. I will do a drive by when I am in the area next week again.
