| <b>Follow-Up Date:</b> | 2024-03-12                                                                                                                                                                                                                                                                                                                          |
| <b>Comments:</b>       | <p>I called the owner, Dr. JACOBS (Veldrift Veterinary Clinic) assessed the horses and took fecal samples. He did apparently not look at the dog and will look at the dog on his follow up visit. Mr. Le Roux is still due to receive feedback from Dr. JACOBS regarding the horses and the fecal results and the way forwards.</p> |
| <b>Captured By:</b>    | <p>I will call Dr. JACOBS and verify the above.<br/>CARINA BODENSTEIN 2024-02-27 15:21</p>                                                                                                                                                                                                                                          |
