INSPECTOR NOTE**Building:****Street:** F8 FYNBOSROAD**Suburb:** TIERFONTEIN**Postal Code:****Date:** 2024-03-11**Time:** 15:30**Inspector:** CARINA BODENSTEIN**Type:** CONTACT-OWNER**Follow-Up Date:** 2024-03-13**Comments:** After owner responded to FO Chiwawa's note I called the owner to setup a day and time for me to conduct the inspection.

He is only available on Thursday, and asked that I give him a call on Wednesday to confirm a time.

The complainant also came into the SPCA today and mentioned that majority of his concern is the illegal wild animals and the noise the miniature daubermans make. I advised him to contact LE for the noise complaint and that we will conduct an inspection in terms of the APA. He did not once state any concern in terms of the APA, and this rather appears to be a neighborly dispute. Non the less, a full property inspection will be conducted regarding all the animals and the manner in which they are kept.

WILL CALL OWNER ON WEDNESDAY TO SETUP A TIME FOR THURSDAY
