Follow-Up Date:	2024-04-08
Comments:	I was in the area and went past the house. I saw the brown dog is gone. The neighbor advised that the dog was pts'd as the dog was poisoned. I contacted the owner to arrange a date in next week to meet, as he is only available after 17h30. With the other dog not on the property anymore, it will be easier to improve the living conditions of the remaining dog. But I will have to discuss this with the owner in person to show hom what can possibly work on the property.
