Type:	RE-CHECK
Follow-Up Date:	2024-05-06
Comments:	The owner has not responded to my messages yet, I tried to call him, but his phone seems off. I went past the property and the corridored off section has been closed off more , it seems as if the owner is waiting for more material to close the entire section off and placing the dog inside . The area is rather large, approximately 6m x 5m. It qould be ideal if the dog can rather move to this section, as the dog will then be free roaming. I will try to contact the owner again to find out his POA, and will follow up in person next week, as progress follows weekly. The dpq is currently on a 6m light chain, has a hosepipe collar, clean living area, water and a makeshift kennel. The dog is in fair condition.
