

INSPECTOR NOTE

Building:	
Street:	66 KIEWIET STREET
Suburb:	LANGEBAAAN
Postal Code:	
Date:	2024-05-08
Time:	09:49
Inspector:	CARINA BODENSTEIN

Type:	RE-CHECK
Follow-Up Date:	2024-05-09
Comments:	Ragna is looking good. Spay site has healed well, no concerns with her health. The property gate has also been installed, however it appears as if it cant close properly yet. I messaged Letitia, property owner, to enquire regarding when they will be done with the gate for Ragna to roam freely inside the property, as she is currentlty tethered. Will await owner's answer and update the case accordingly
