Comments:	Upon arrival, no one appeared to be home. I asked some of the workers around and they advised that Louis left the property and that they dont know who Antonio is. I went to the property where Louis resides and left a warning asking for him to contact me within 24 hrs to discuss the happenings. Warning nr: #W5250 I will follow up tomorrow again if I did not receive a call. I tried to call the complainant 3 times to verify how she came abouy the information and what the current status of investigation is, however, she does not answer my calls.
