Comments:	I went out and when I arrived I phoned Mr Ferreira and he informed me that the pigeon is no longer on his property. I asked him to come out and I showed him a pigeon that was sitting on the roof of house number 21 Upper street and he confirmed that it is the same pigeon. There was nothing that I could have done as the building is way too high but the pigeon was flapping it's wings a sign that it can fly. I gave Mr Ferreira the after hours number.
