| Inspector:   | JAMESON OCTOBER |

---

|                 |                                                                                                   |
|-----------------|---------------------------------------------------------------------------------------------------|
| Type:           | CASE DISCUSSION NOTE                                                                              |
| Follow-Up Date: | 2024-05-10                                                                                        |
| Comments:       | I got to Darling late in the afternoon and did not see the Dogs And All vehicles. Will follow up. |
