Comments:	Upon arrival, I went to the clubhouse and saw no one. I called Noel Minnaar and asked him where to meet. He advised that he is still off today and that I must speak with Dawie Phifer . I called John Smit, the guy that called me yesterday and informed me that there will be culling this morning, he said that he is not there and gave me Dawie's number. I called Dawie, he advised that due to the weather, raining, they wont be culling today and will likely only cull tomorrow again. He advised I call him later this afternoon to confirm.
