Comments:	I contacted the complainant Chantal and told her that I went to the property of Dogs Deserve Better and spoke to Ms Natasha Theunissen. I told her that Ms Theunissen refuses to give us any details regarding the dog that she posted on Facebook. I told her that I am going back to Chatsworth again today and will try my best to find the dog and the property and that I will also ask the community if they recognise the house. She was very grateful for the feedback and she is not happy with the fact that Ms Theunissen does not want to give us any information.
