WARNING / NOTICE RESPONSE RECORD

2024-05-21

Philip: +27 66 389 4965 responded to the warning. He resides on the property, but the dog belongs to his landlord.

He will make arrangements to get off feom work this week to meet me at the property for the inspection to be done. He will Whatsapp me regarding what day.

He further mentioned that he and his neighbor is in a dispute that is being heard in the highcourt currently and he suspects it is his neighbor complaining as a complaint was also lodged with Law Enforcement a few weeks ago.
