Type:	CALL RECORD - RECEIVED
Follow-Up Date:	2024-08-06
Comments:	I received a call from Ethan this morning, advising that the person supposed to enlarge the cages had a family emergency and will only be able to begin during this week. However, Ethan has build a kennel inside Tequila's enclosure for additional shelter, as requested. I advised that I will go past the property today to have a look at the kennel and will follow up regarding the enlargement beginning of next week.
