| Comments:       | I phoned Mr Jan Bester the owner of the farm at nr 0829500752. I asked Mr Bester about the dog that is on the running chain at Mr Pieters's house. Mr Bester told me that he has spoken to Mr Pieters and told him that he must make a plan with the dog. Mr Bester is not going to tell him that he cannot own an animal on the farm and he cannot assist with a fence. |
