Comments:	The Spca has received a complaint about a horse that is injured,standing near the Grootepos farm turnoff. I went out and saw 1x Dark Bay Boerperd x stallion standing next to the road. I approached the horse and saw that the horse has a wound on his hip. The horse started galloping towards Mamre. I went to the nearest farm,Contreberg and was met by farm manager Mr. Radie. I asked Mr. Radie if he know who the horse belongs too and he went with me to see the horse. Mr. Radie told me that he thinks the horse belongs to a Mr. Oscar who resides in Mamre. We approached the horse to try and put a halter on him but the horse ran onto the Grootepos gravel road,we could not get close to him to put the halter on. Mr. Radie told me that he will try calling Oscar again. Nfa until further notice.
