Comments:	One of our committee members advised us that the person that owns the vehicle is the son of Jolette Treurnicht. Her surname used to be Kapp. The son's name is Julian Kapp. The vehicle on the security footage used to belong to her and she gave it to him. Also according to an anonymous informant the son Julian Kapp house sat for someone in Riebeeck before and killed kittens and according to a witness hit the dogs in their faces with his fist. There is apparently something mentally wrong with Julian Kapp, this is not verified. JULIAN KAPP HOUSE SIT EN PET SIT FOR THEM WHEN THEY GO AWAY!
