Comments:	I received a message from the owner of the dogs advising that he wont be on the premises this morning, as he had to go to theater. He advised that I am welcome to enter the area where the dogs are kept. He advised that the dogs are split and the large pack is kept in the main area, and 3x adults are kept at the stables area. He also advised that the closed the outaide areas so the dogs cant escape. He will only be at the premises this afternoon around 2-3.
Captured By:	I will go to the property after I have been at the kennels. CARINA BODENSTEIN 2024-10-04 11:07
