Type:	CALL RECORD - RECEIVED
Follow-Up Date:	2024-11-20
Comments:	I received a message from the owner where she said she took the cats to Wesland Diere Hospital and also send me pictures of the medicine received. I will follow up in person on Wednesday, to see how they are doing. When I am done with the case, and she does not want to surrender some of the cats, I will refer the case to Law Enforcement as she has too many cats.
