Comments:	I received this message from Moira this morning: "I just want to say I send Natasha message told her to bring the dogs in 2 days by Friday I will go open a case. Told her SPCA was here she started shouting. Went on her page labelled SPCA useless calling me . Writing all lies to her donors on that page that she started feeding dogs a year ago.she wrote lot of lies. I tried commenting there telling her why shez lying. She block me from her page. If shez telling the truth why block me. Its Clearly now that shez benefiting from it with people's dogs telling lies to her donors"
