Comments:	I received a call from the owner, Ettiene - 0733230289 The owner came forth angry and frustrated and mentioned that he does not understand my issue with his dog as there are plenty of dogs roaming the streets and he feels I should give attention to them and not waste my time with him and his dog. He advised that he does not have the time or means to install a runner at this stage and that he will do so on his own time. I asked him if he will be willing to meet with me as I have extra wire that he can use to install a runner. He seemed happy to hear this and advised that he is home this morning. Arrangements was made to meet between 09h30 - 10h00
