Follow-Up Date:	2024-11-29
Comments:	I met with one of the know pig owners (William) in the area, on his request. He advised that they will be demolishing everything here by the end of the year and has already got rid of all the animals. They are waiting for the Municipality to give them land and until then they wont have animals. I will come by in month to see, and to make sure there are no animals kept here. No animals were here today.
