General Report Comments: Inspector Van Zyl an I was granted access to the property by owner ,Andre Verbiest. We observed approximately +- 73 dogs on the property. Andre then came out with a Maltese female with a bad skin condition,that somebody came to drop off at his shelter. I asked Mr. Verbiest if the Maltese has received any veterinary care and he told me that he took the dog to the,Hukuna Matata animal hospital in Melkbosstrand. Mr. Verbiest could not provide any other evidence that the dog has been to the vet other then his word. The other dogs all have access to water and shelter and their body conditions is acceptable. I contacted the Hukuna Matata animal hospital and the person I spoke to,Andrew told me that they do have Andre Verbiest on their system but he was last there on July 2024. Andrew said that we must send him an email with more details and also attached a picture of the Maltese female so that he can follow up. Manager Inspector Van Zyl will send an email. Wait for response from Huuna Matata animal hospital. Will follow up.
