General Report Comments: Daphrain was at home and informed me that he dipped the dog and later on use used oil on the dog. He is scared of his own dog and one neighbor who didn't want to give me his name said that the dog bite him when he was washing the dog. He also said that the dog has already bitten two people. I asked Daphrain to surrender the dog if the dog is aggressive and he informed me that he wants his dog. Water and shelter observed. The dog's body condition is fair and acceptable.
