General Report Comments: There was no one on the farm and I phoned the owner and he informed me that he was in town and his son was also not on the farm. He informed me that Dr Van Zyl from Wellington Animal Hospital was visiting the farm on the 26th of January 2024. Of all the horses i observed the body condition looks fair and acceptable but there is one old mare that is a little bit underweight.

ACTIONS

NO ACTION REQUIRED
