General Report Comments: Sune took me to see Boykie the Clydesdale stallion where he was busy eating in his paddock. I saw 1x Dark Bay Clydesdale stallion in acceptable condition. The horse did not appear to be underweight and there was fresh food and water available for him in his paddock. Sune told me that Boykie is 23 years old and that the farrier was there a week ago to do the hooves of the horses on the guest farm. Sune also took me to the stable where they keep the horse feed. There is more than enough food for Boykie. Dr. Jacobs who works for Vredenburg animal hospital is their vet. Will recheck.
