General Report Comments: I did a door to door at the property and I saw 2 pit bulls on chains and 1 dog loose on the property. I stopped by to speak to the owner of the dogs about the condition of the dogs. Wilfred let me in the property to do inspection on the dogs and I asked him why are the dogs on chains and why there is no shelter for them, he said he just moved there he will fetch the dogs kennels at his previous address. I also advise him to make sure he keeps clean water everyday. I issued him a notice to comply for the collar and shelter for the dogs I will be rechecking in 7 days.
