General Report Comments: I did a door to door at the property and I saw 3 dogs sleeping. I stopped by to speak to the owner of the dogs because one of the dog is very thin.
The owner of the dogs was not at home and I spoke to his girlfriend and she let see the dogs and the dogs was in a bad condition and I asked her what are they feeding the dogs she said the dogs has no food but they give them from the house after they cooked.
I told her it is not acceptable that they don't have food I suggested to her that she must tell her boyfriend when he gets home from work that he can surrender the dogs to the spca if they don't have food or means of supporting the dogs.
I left the notice to comply for the vet treatment and adequate food will recheck after 3 days.
