General Report Comments: Upon arrival, it appeared as if no one was home. 1 saw 1 x white Alsation from the main gate that appeared to be in good condition.

I called the owner, Matthew, as his contact number was on file. He advised that he is currently in Malmesbury for the day. I shared the nature of complaint with him and he seemed frustrated that someone complained, he also suspects it is his one neighbor that can see the pond and water he installed.

He will be home and available tomorrow from 9am and asked if I can return tomorrow. I agreed and will come do the inspection tomorrow morning, as I will be in Moorresburg for the day, which is not to far from here.
