General Report Comments: I did a door to door at the property and I saw 1 pit bull sleeping with a bad mange. I stopped by to speak to the owner of the dog about the condition of the dog. I spoke to the owner of the house and she told me that the owner of the dog is in town is renting by her but she will tell him to contact me ASAP.
I left the notice to comply for the vet treatment within 24 hours. I told her that the owner can contact the spca to arrange if is not possible to treat the dog so we can remove the dog.
