General Report Comments: I did a door to door at the property and 2 dogs one on a long chain and one on short chain without a collar. I stopped by to speak to the owner of the dogs about the condition of the dogs and she was not at home and I spoke to the neighbors.  
I told the neighbors to tell the owner of the dogs to contact me so I can explain to her why I left the notice to comply at her place.  
I left the notice to comply for running chain and a collar for the tan dog and the dogs must improve the body condition because they appear to be under weight. Will recheck after 6 days.
