General Report Comments: The complainant was in the area and she took me to Quinton's house. The dog is in a fair and acceptable body condition. I managed to get Quinton's contact details and I phoned him. He informed me that he left the dog in the care of his neighbor Thalitha . I phoned Thalitha and she told me that he doesn't buy dog food whenever he leaves the area. I issued him a Notice to comply and I informed him about the Notice to comply. He informed me that he is coming to fetch the dog later in the evening. Quinton later phoned me when I was on my way to fetch a sick dog in Riverlands informing me that he took the dog to his mother in Malmesbury but the dog doesn't get along with his mother's dogs so I must come and fetch the dog. I went to Moorreer street and he surrendered the dog.
